County Council Had Busy Session

County Council Chambers
February 21st., 1973

Warden Robert L. Fotheringham declared the February Session of County Council open for business in the Council Chamber at 10:15 a.m., Wednesday, February 21st, 1973, with all members in attendance. Resolution No. 17: That the Minutes of the Inaugural Meeting of January 16th and 17th, 1973, be approved as presented and circulated. Carried. Correspondence was read from: Kawartha Haliburton Children's Aid Society; Haliburton County Mutual Fire Aid Association; Haliburton County Snowmobile Association; Haliburton Kawartha Pine Ridge District Health Unit; A.C.R.O.; Weir and Foulds; Grand and Toy; Haliburton County Social Planning Council; County of Peterborough; Town of Thorold; Committee on Municipal and Regional Information Management; Canada Law Book Limited; Advisory Task Force on Housing Policy; Ministry of the Environment; Ross Memorial Hospital; United Counties of Northumberland and Durham; City of London.

Resolution No. 18: The Correspondence Committee request that Council concur in principle with letters received by the Clerk, and in particular those marked on the list provided by the Clerk and respectfully submitted by the Correspondence Committee of Doug Pritchard, Keith Tallman, and Jim Elder. Carried.

Resolution No. 19: That the Clerk be authorized to purchase book binders for the new members. Carried.

Resolution No. 20: That the County Council do concur with a letter sent to the Premier of Ontario re. Ontario Hydro Policy by the Town of Thorold. Carried.

Finance Chairman Jerry Howarth reported on expenditures as listed and circulated.

Resolution No. 21: That the Finance Committee has reviewed the disbursement sheet containing cheque number 10 to 53 inclusive and we find them to be in order and recommend

them for payment. Carried.

Planning Chairman Gary Agnew reported on a worthwhile meeting of the Committee with Mr. D. Irvine, Parliamentary Assistant to the Minister of Treasury, Economics and Intergovernmental Affairs, as arranged by Mr. Glen Hodgson, M.P.P. for February 12th.

Mr. Douglas Russell, Chairman of the Committee of Management for the Hyland Crest Senior Citizens' Home, reported on the Home's satisfactory operation and recent negotiations.

Chairman of the Property Committee, Lloyd Walker, reported on repairs and maintenance of the two County buildings during the past month.

Resolution No. 21: That By-law Number 840, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, this 21st day of February 1973, being a by-law for the purpose of appropriating property adjoining County Road Number 2. Carried.

Resolution No. 22: Be it resolved the Warden and the Clerk petition the Department of Transportation and Communications for subsidy on the total expenditures of \$232,933.68 for County Roads in the year 1972. Carried.

Resolution No. 23: That Reg Booth be added to the Planning Committee. Carried.

The Warden declared the meeting adjourned for lunch at 12:00 noon. Council reassembled

at 2:00 p.m.

Mr. George Dove, Local Director of the Children's Aid Society, from Peterborough gave a presentation on the extensive work being carried on by that organization, and discussed points of interest with members of Council. Council gave reassurance of their support for revision of the grant structure.

Fire Marshal Bernie Walsh outlined the many activities within the Fire Marshal's Branch and the history leading up to the recommended establishment of the Haliburton County Mutual Fire Aid Association.

Mr. W. M. Jackson, Deputy Chief of the Minden Volunteer Fire Brigade, gave details on the work and objectives of the Association, with particular emphasis on fire protection and prevention.

Mrs. Barbara Dawson, President of the Haliburton Highlands Chamber of Commerce, gave a full report on the achievements and extensive efforts of the Chamber's Directors and Personnel on behalf of its members in the promotion of Haliburton County.

Mrs. Phyllis Bishop outlined the many involvements of the School of Fine Arts and their endeavours to promote this asset for the County in conjunction with Sir Sanford Fleming College.

Mr. Grenville Martin discussed proposed expension and (Continued on Page 2)

GUILD OF FINE ARTS AND THE WINTER CARNIVALS

Once again the Haliburton Highlands Guild of Fine Arts has sponsored an exhibition and sale of local crafts at the winter Carnivals in Minden and Haliburton.

The Minden Exhibition and Sale, convened by Mrs. Marilyn Palmer was on Saturday and Sunday, January 27th and 28th, and held in the Municipal Building.

There was a fine exhibition of paintings, quilts, weaving, macrame, and pottery. There were

a lot of visitors to the Exhibition, many of whom enjoyed coffee and cookies as guests of the Haliburton Highlands Guild of Fine Arts.

The Haliburton Exhibition and Sale, convened by Mrs. Barbara Peel, was on Saturday and Sunday, February 24th and 25th, in the Gallery.

The Exhibition filled the Gallery and the office, and the display of crafts by local people was most interesting.

If you missed these exhibitions and sales, keep in mind the Summer Exhibition in July sponsored by the Haliburton Highlands Guild of Fine Arts.

MINDEN LIBRARY BOARD MET

The Minden Library Committee, comprised of Mr. Lionel Rowe, Mrs. Doug McGee, Mrs. Wm. Moore, and Mr. Robert Gorrie from the Council, met at the Library with Librarian Mrs. M. Sears on February 22nd.

As this was the first meeting of the year much time was spent discussing the budget and improvements to be made in 1973. The financial report was also reviewed and it was decided to review the Insurance carried on the building at the next meeting.

The committee decided to ask Hugh Kirkland to touch up the Library signs as they were becoming faded. As some of the improvements for this year will be a magazine rack and a start made on proper adjustable shelving Mr. Rowe and Mr. Gorrie were asked to check on prices before the next meeting.

The committee thanked the Librarian for her efforts on their behalf and expressed their pleasure at the way the Library circulation is growing each year. The meeting was then adjourned until March.

The committee were most happy over the display of very old books which the library has and wish to promote this project as it is believed this is the only display in the area. Some of these books are very nearly

100 years old. Some are out of print and they feel this is an added attraction to the Library and would be very happy to receive other very old or rare books for this corner as they wish to enlarge the collection so if anyone would be interested in helping with this project please contact the secretary Mrs. W. Moore or the Librarian for further details. These books are not allowed out of the Library but you may browse through them. You know the old saying "Old Soldiers never Die, they just fade away". Well, old books never die and the committee do not wish them to fade away. They wish to preserve them for the future. Any type of very old book is a welcome addition so be sure that your grandparents' books do not go into the garbage. If they can be saved at all, we are willing to try and save them by repairing covers and placing them with the others on display. Books are like people, they do not wish to be discarded unnecessarily.

THURSDAY SMILE

Asked if he believed in baptism the hippie said, "Sure thing, I've seen it done."

MINDEN AREA

3 bedroom year around home, with 14 x 80 ft. workshop, 2 cabins, 800 ft. Burnt River frontage, 4 acres, park like. \$29,000 terms.

MINDEN CENTRE

Several good building lots, paved streets, town water. \$3,000 to \$4,000 each.

BRADY LAKE

4 bedroom cottage, bath, kitchen and living room, modern and spotless, private and year around access. \$22,000.

LISTINGS URGENTLY WANTED

THE MAIDENS' VIEWPOINT !

by
Norm Maidens

Fenwick and I have talked over his interview with me and we feel we'd better cut it short and not give you the whole thing.

It could go on for another week or so. I'm sure by now everyone knows Fenwick's pet peeves.

As you know Fenwick is against all the do-gooders, TV and paper media that slant their stories on "Police brutality." Sensationalism is what sells papers and the sight of a couple of hippies throwing rocks at the fuzz doesn't make for news — BUT — show a police officer protecting himself by putting the arm on one of these characters and everyone gets on the band wagon and screams for his head. That is the story all over the information media. It is also a story that Fenwick waxes quite roth when he gets stirred up, so, we'll let it sit at that.

There was one other subject the Finch gets upset about but no one else seems to worry about — Regional Government, the local County Council has been futzing around with this question for over four years but can't seem to agree on what to do. The taxpayers should be put into the picture on what we can expect. After it happens, it's too late, look what's happening to Peterborough, Port Hope, Oshawa and other large places — what hope has the "Provisional" County of Haliburton got when the chips are down? We are only a small potato and will be treated as such. The local pundits say it may be eight or nine years before we get sucked into the deal but Fenwick made me a prediction, and I hope he's wrong, look for something in the books for this June or July — when it happens it'll be too late and all we can do is lick our wounds and grumble. Some enlightenment from the County Council should be expected by the local taxpayers.

So much for Finch's tirade against me. We'll keep it on ice and may come with it later on. Let's turn to something more cheerful.

With all this publicity on VD in the schools and apparently it is a valid problem I was reminded of a story about the young engaged couple who had gone to their Doctor for a pre-marital examination. The Doctor, after the examination, told the prospective groom, "I have bad news and good news for you — the bad news is that your finance has VD."

"That's terrible", groaned the young man, "what's the good news?"

"The good news," consoled the Doctor, "is, she didn't get it from you!"

I've had several calls about dogs running loose on the streets again. Come now, it's Spring again and nature must take its course, whether it be on the main street or wherever. I've gone through this before — the dogs can't read and the owners won't abide by the by-law and, the Municipality won't really enforce it. We have a good dog-catcher, "Dusty" Sutherland but, he can't take any action unless he gets the complaint. So, don't bother calling me, lodge your complaint with the Municipality and give "Dusty" a chance to keep on doing a good job for you.

Well that's another week — Drive carefully and be alive to enjoy the summer that's coming up. Every once in awhile I get tired exhorting people to "drive defensively" and stay alive — but I'll keep on doing it with the hope someone will listen. There are more snowmobile deaths than there are with cars. Hard to believe? Check with the bureau of statistics.

COUNTY COUNCIL NEWS (Continued from Page 1)

consequent road requirements in connection with the Martin Lumber Company.

Resolution No. 24: That Mr. Glen Hodgson, M.P.P. be requested to obtain an appointment with the Minister of Transportation and Communications re. County Road No. 10; the Warden, the County Road Committee, and Road Engineer to make the necessary presentation. Carried.

Resolution No. 25: That Bill Scott be asked to investigate the possibility of a Federal grant for Martin Lumber's proposed new chip mill. Carried.

Resolution No. 26: Be it resolved that the Clerk be authorized to request the Ministry of Treasury, Economics and Intergovernmental Affairs and Mr. R. Glen Hodgson, M.P.P. to review the applications re. Winter Works Programmes for the Townships in Haliburton County. At present with a complete absence of L.I.P. funds and Provincial funds depleted, welfare costs are anticipated to reach unreasonable amounts in March and April. Carried.

Resolution No. 27: Be it resolved that the agreement reached upon conciliation between the Union of Public Employees Local 1225 and the Provisional County of Haliburton Senior Citizens' Home be ratified by this County. Carried.

Resolution No. 28: That it be recommended to the Budget Committee that the Haliburton County Snowmobile Association be granted \$1,000.00 for 1973. Carried.

Resolution No. 29: Be it resolved that the Mutual Fire Aid Committee be granted \$300.00 as per their request. Carried.

Resolution No. 30: That the Chamber of Commerce be donated \$5,000.00 for the year 1973. Motion abandoned.

Resolution No. 31: That the motion be amended to give the Chamber of Commerce \$6,000.00 for the year 1973. A recorded vote was requested. Results of the recorded vote were:

Nay: R. Booth 2 votes, D. Pritchard 2 votes, J. Howarth 1 vote, M. McGillivray 2 votes, K. Tallman 1 vote, D. Russell 1 vote, L. Walker 1 vote. Total 10 votes.

Yea: R. Brohm 2 votes, M. Fearrey 2 votes, N. Locke 1 vote, R. Beeney 2 votes, G. Agnew 1 vote, A. L. Lock 2 votes, R. Vick 1 vote, G. Wynne 1 vote, S. G. Nesbitt 2 votes, J. Elder 2 votes. Total 16 votes.

The resolution was carried. The Warden declared the meeting adjourned at 6:00 p.m.

THE NATION'S BUSINESS

by William Scott M.P.

The minority Liberal government tabled its first budget last week with a great deal of fanfare, announcing that it was the great cure-all for the problems that have been plaguing the country for the past four or five years.

Mr. Stanfield immediately denounced the budget as not containing any measures that would stimulate the economy, reduce unemployment or cope with the continuing rise in the cost of living.

One of the puzzling aspects of the budget is that it represents a complete turnabout in the government's thinking with regard to such things as taxation and pensions for veterans and the elderly. In fact, Mr. Stanfield said that the budget repudiates everything the government has been saying for years.

Now that we have been able to assess the various items in the budget it has become clear that it was intended more to ensure the continuation in power of the government than to come to grips with economic problems. Predictably, the NDP announced that it would support the budget in any votes of confidence that are moved in the house, and this in itself indicates

the thinking behind the budget.

The most surprising aspect of the budget is the number of measures that were taken from the conservative party's campaign platform in the last election, things that we in the opposition have been urging the government to do over the past four years. In fact, we have stressed over and over again that these are the things we would consider priority programs if we were to form the government.

One of these is a reduction in personal income taxes. Last May Mr. Turner, the Finance Minister, said that his government would not consider reducing personal income taxes, saying that it would be a prescription for putting Canada into bankruptcy. What a statement from a Government that is not only bankrupt of ideas, but is moving Canada steadily towards economic bankruptcy.

Personal income taxes are being reduced in the present budget, but not as much as we would have liked. The average taxpayer will benefit by about two per cent, and this is hardly worth crowing about. It is significant that Mr. Turner said that, in spite of reductions in

personal income taxes, the government's yield from personal income taxes would increase in the coming year by 15 per cent.

Pensions for the elderly have been increased, but here again it is not enough. The increase, to \$100.00 for the basic pension, does not offset the increases in the cost of food, shelter and other necessities over the last three to four years. Veterans pensions will go up, but the budget does not restore the minimum pension set by parliament, established as the prevailing wage for unskilled labour in government.

The budget eliminates the

ABOUT PEOPLE AND THINGS

One of the things to happen over the past week was the survey on Community Newspapers, made by **MARY-ELLEN JAMES**. Miss James is a first year journal-

ism student at Ryerson Polytechnical Institute in Toronto, and this week conducted a survey using the Minden Progress as a guide. The results were interesting, along with the interview she conducted after, with this writer. I am sure she will enjoy her career as a writer and maybe some day we might see her sitting beside **PIERRE BURTON**, on a program like Front Page Challenge, as a famous writer. Have you visited the old arena lately? It is almost half torn down, and will make a big improvement in that area. Council is taking advantage of the Winter Works Program to get this done. Our Reeve **REG BOOTH** has been a going concern since taking office, making several trips to Ottawa and getting results. He has already been able to get \$35,000 from the Federal Government on the Local Improvement Program. Other politicians in the area are amazed at work being done in this Municipality. **AL CONEYBEARE** is getting his feet wet around the council table — remember Al when the criticism starts coming in, you know you are in there working with both feet. Went skiing with **BILL** and **JANE O'BRIEN** over last weekend, had a great time and returned without any broken bones. Jane looks like a good skier in the making, it is too early to tell about Bill. He did a great snow-plow all weekend, but as a result they had trouble keeping the snow on the hill. **BOB BEENEY**, coach of the Minden Girls Hockey team has arranged a game with the Rotary Club here — now that will be some contest. It is slated for Sunday, March 18th, at 8:30 p.m. In my coverage a week ago on the Chamber of Commerce banquet with County Council I overlooked the Chamber President **BARBARA DAWSON**, who did a great job as Chairman for the evening. I hardly know what to say about the results of that meeting, County Council members met this week and voted to give the Chamber \$6,000 an increase of \$1,500 over last year. At the banquet **GARRY AGNEW** asked the Chamber if they would publicize the fact County Council is celebrating their Centennial, come now Garry, how much of that increase do you want the Chamber to spend? There is one point of interest about those sitting on the Board of Directors in the Chamber — it is estimated they spend as much time working for the County, as any individual, and they do it without enumeration. That is unique these days, there is only one word for it, 'dedication'. Must make a mention of the hard work **GLORIA ELLIOTT** has put into the Minden Figure Skating club as the Junior Pro. I am sure it is appreciated by all the skating members, congratulations for a job well done. Hats off to **NEIL BURK** who has taken a big interest this year in the Minden Juvenile team, with any kind of luck, they just might walk away with the Ontario Championship — a first for Minden. It is good to have Haliburton's **DICK SCHELL** here in Minden, as the new By-law Enforcement Officer. Another Haliburtonian **BRIAN SISSON**, the new arena manager is doing a good job, Haliburton's loss was our gain. I am looking forward to the Rotary tilt with the gals, **DARLENE PORTER** told me I would have to keep my head up. So much for this week.

LETTER TO THE EDITOR

Carnarvon, Ont.
March 2nd, 1973

The Editor:

A couple of months ago, the day after a heavy snowfall, I noticed that the sparkling white fluffy surface was peppered with tiny dark acrobats of about one sixteenth of an inch in length, some a bit longer, and each bearing a pair of antennae and three pair of legs. I have always known them as "Snow Fleas". These muscular giants can jump four inches. They are usually more often seen in late winter and I remember patches of snow quite grey with them.

Curious to know how many local people might be aware of their tiny neighbours, I collected a couple of dozen in a small plastic pill bottle and put it in my pocket along with a magnifying glass.

What a revelation to find that only about one person in four had ever seen or heard of this form of wild life, and yet many of them had probably devoured plenty when eating snow as kids. "Eyes have they, but they see not".

Being puzzled as to how myriads of these tiny creatures can suddenly appear on top of heavy snow, and vanish almost as fast, one wonders where they come from and where and how they spend the balance of the year. Are they a stage of development like a caterpillar is to a butterfly?

I enquired of Government and College authorities who might be expected to have answers to such important questions but so far no luck. Such abysmal ignorance of our ecology!

If nobody has the answer, perhaps a study might be made and a thesis prepared on "The Life Cycle of the Snow Flea", to qualify one for a Ph.D. and henceforth be known as Doctor — SNOW FLEA.

Yours truly,

C. H. Irwin

GAME OF THE WEEK — with Cliff Burke

JUVENILE QUARTER FINALS TIED 1 - 1

The Minden Kings tied their best four of seven quarter final series with Warkworth on Saturday evening, when they came back from a 4 - 3 deficit in the third period on goals by Doug Ray to tie the game and a short handed goal by Suds McElwain to win it.

The Warkworth team won the series opener in Minden on Friday evening 10 - 8.

The game Friday, featured goals scored in clusters. Wark-

worth rammed four goals behind starting goalie Bob Dudman the first 3:36 of the first period. Coach Neil Burk then sent in Wayne Moxan to mind the nets, and for two periods he did a fantastic job. But at 1:15 of the third period he allowed a shot from centre ice to elude him, and that was the game. Wayne let four more goals to get past him in the third to erase a 7 - 3 Minden lead.

John Welch lead the Minden attack on Friday evening with the hat trick, Wayne Harrison added two with singles going to Bill Jackson, Suds McElwain and Scott Harvey.

On Saturday in Warkworth the story was a little bit different. The Kings came out flying in the first period and chalked up an easy 3 - 0 lead on two goals by Wayne Harrison and one by Bill Jackson, a power play effort.

However, the Kings decided they would skate with the Warkworth team rather than hit in the second period and this proved to be a big mistake, as they tied the game by the end of the period. They went ahead 4 - 3 early in the third and it looked like the Kings would be coming back to Minden down two games. But at 10:15 Doug Ray blasted a shot from an almost impossible angle that the Warkworth goalie is still looking for to tie the game. This led to the short-handed goal by Suds McElwain at 15:37 on a beautiful pass in front by Wayne Harrison to win the game going away.

The third game in this series will be played in Minden at 8:30 on Friday evening with the fourth in Warkworth on Saturday at 7:00 p.m.

SPORTS CORNER

with CLIFF BURKE

BROOMBALL — In broomball action over the weekend the Minden Hylanders took part in the Tenth Annual Millbrook Broomball Tournament.

In the first game the Hylanders were shutout 2 - 0 by United Tire of Coburg. The officiating in this game left a lot to be desired, as the Hylanders were assessed 53 of the 62 minutes in penalties handed out by the referees. Considering the Hylanders were only assessed a single minor in the two games they played two weeks previous in the Port Perry tournament, this was ridiculous.

The Hylanders then met the powerful Port Perry A team and were downed easily 5 - 1. Cliff Burke scored the lone Minden goal with assist going to Wayne Johnson and Paul Warburton. The Hylanders were two men short at the time.

In exhibition play this past week the Hylanders tied the Red and White Telears and defeated them once. In the first game the score was 1 - 1 with goals going to Kim Colliss for the Hylanders and Sterling Hewitt for the Telears. The Hylanders blanked the Telears 3 - 0 in the second game with goals going to Bob Sisson, a pair and Cliff Burke a single.

The next game will be on Monday, March 12th at 8:30, with the Minden O.P.P. tangling with the Minden Hylanders. Both teams are undefeated in this area.

MINOR HOCKEY — In Minden Novice play-off action this week, Minden defeated Haliburton two straight in their best of three series. On Friday evening in Haliburton the Novices from Minden trounced Haliburton 4 - 1. Ronnie Yake had a pair of goals with singles going to Mark Greir and Harold Porter. Then on Monday evening the local team wrapped up the series with another 4 - 1 win. Harold Porter, Brent Moxam, Ronnie Yake and Mark Greir scored for Minden. The next series will be against Cobocok.

In Pee wee B action last week, Minden lost 5 - 3 and tied 3 - 3 in back to back games with Haliburton. In Haliburton Stu Russell led the Minden team to their tie when he notched two goals. Kirk Bull got the other Minden marker. In the loss, Kirk Bull, Al Northey and Stu Russell were the marksmen.

In an exhibition Bantam game played last week in Minden, the local boys annihilated Wilberforce 9 - 1. Kirk Coneybeare scored the hat trick for Minden while Sharyne McKelvey picked up a pair. Singles went to Barry Shaw, Jerry Campbell, Scott Gartshore and Jeff Carpenter.

The Bantams also edged Kinmount in an earlier game 7 - 5, but no scoring is available.

The Minden Mite A team played the Lindsay All-Stars on Sunday afternoon here in Minden and were defeated 4 - 1. Danny Greir notched the lone Minden goal.

BOWLING — The Rockcliffe Beer Nuts rolled right back into contention for first place in the Major Men's Commercial League last Wednesday evening when they blanked the Miles Roadrunners 7 - 0. The Beer Nuts had been in a mild slump for the previous three weeks, and had fallen ten points off the pace. The blanking of the Roadrunners brought them to within seven points of Modern Electric who downed Ingoldsby 5 - 2. Haliburton Highballers remained in second place, one point behind Modern with their 5 - 2 victory over Cox's Colts.

OPEN MEETING

OF THE

HALIBURTON COUNTY SNOWMOBILE ASSOCIATION

TUESDAY, MARCH 13, 1973

8:00 P.M.

Municipal Building, Minden

If the H.C.S.A. is to be a strong worthwhile organization, your support and interest is needed.

Attend this meeting to voice your opinion, complaints etc. and also suggest nominees for the 1973 - 74 Executive.

WITNESSES FROM HERE

WILL GO TO BARRIE

Barrie North Collegiate will be the goal of all local Jehovah's Witnesses this Saturday and Sunday as they gather for their semi-annual circuit seminar. Over eight hundred are expected to attend from eleven central Ontario congregations.

The theme of the assembly, "Do All Things for God's Glory" will set the pace for many different talks, dramas, pantomimes and true-to-life examples. These will aid all in attendance to become, not only better citizens for all communities, but better teachers of the Bible to their fellow man. The program starts Saturday at 9:00 a.m. and concludes Sunday at approximately 5:30 p.m.

The highlight of the assembly is Sunday, at 2:00 p.m. when Mr. John Didur, District Supervisor of 160 congregations in eastern Canada, will deliver the public address "Decide Now for Divine Rulership".

Sponsor of the convention is the Watch Tower Bible and Tract Society of Toronto.

ABOUT THE TOWN

with Jeanne Sears

Sincere sympathy to the families and friends of the late Clarence Ruttle, Orville Hicks and Margaret Spencely, whose funerals were since last week.

There was a large crowd of ladies from all the churches and some residents of the Home at the World Day of Prayer held at Highland Crest last Friday afternoon.

There is still a prize unclaimed from our Winter Carnival in January. Phil Sawyer tied for second place in the Fish Derby and has not received his prize. If he contacts Roy Bishop, Box 133, this prize will be sent out immediately.

At the monthly L.O.B.A. Card Party at the Orange Hall last week, winners were for cribbage Diane Stevens and John Hartford; for euchre Charlotte O'Neill, Bill Hounsell, Terri Cox and Phil Robinson with lone hands on a cut going to Elaine Yeo. There was a draw made on a mat and winner was Roberta Rowe. After the games all enjoyed a social half hour and lunch served by the ladies.

Karen Magnussen has won a Gold Medal for Canada at the Winter Games in Germany; the others from our Country made good showings, but may need more training.

Persons in out-of-town hospitals include Mrs. Bruce Dudman at Ross Memorial, Mrs. Cecil Stamp at Civic Hospital and we are pleased to report that Lawrence Pritchard is once more home.

We have a new By-law Officer, Dick Schell, hope he does something about all those dogs running around the village.

Coming up on the 18th of this month will be a hockey game between the Girls team and the Rotarians. This should be something to see so set this date aside. Also the Juvenile Hockey team meets Warkworth again this Friday night here and again back at Colborne on Saturday night. There were over 300 at the last game, fine for so many to support their team.

Many people are or have been on holidays, these include Mr. and Mrs. David Dollo and Marianne, Mr. and Mrs. Peter Dollo in Jamaica, Mr. and Mrs. Norman Harrison Jr. in Florida and Mr. and Mrs. Harold Coulter, and Francis Crawford at Campbell River B.C., Mrs. Cecil Yearwood with the Bob Normiles at London, Ontario, Mr. and Mrs. Richard Parisotto in Florida.

There were Pools on the Juvenile games last Friday and Saturday nights with winners being Irma Walker on Friday and Ellwood Cox Saturday, both getting \$25 with the rest going for Juvenile Hockey.

At the Weekly Mini Card Party at the Parish Hall last Thursday winners were for cribbage Isobel Bingham and Mary Maidens; for euchre lone hands Della Griffin and Ruth Jones.

Nice weather lately with snow gradually going, some streets are drying up.

Cheerio until next week.

HUSBANDS' WELCOME

LUTTERWORTH COUNCIL HELD REGULAR MEETING

A meeting of the Municipal Council was held on February 13th with all members present.

A motion was passed to adopt the minutes of January 8th, 23rd, 24th, and February 6th and 8th meetings. Carried.

A motion was passed to pay the following accounts, General \$3,953.67; Welfare \$495.42; Road account No. 1 \$3,745.91. Carried.

Mr. Wm. Prentice then approached Council to answer questions and offer explanations concerning the proposed extension of Lutterworth Pines. Owing to the fact that the extension would be a lease system, he intends to enforce his own restrictions as well, in the form of a part by-law control which would be passed on if ownership did change at some future date. He is also willing to sign an agreement to this effect and requested Council to proceed at once with the preparation of the agreement.

Mr. Robert Widdop then approached Council concerning his property on Deposit Plan 35194. After much discussion the following motion was passed.

That Plan 35194 on Gull River, owned by Mr. Widdop and Mr. Kline be re-zoned from RU 2 to SR. Carried.

A motion was then passed to rescind By-law No. 14-72 and to prepare a new one. (This by-law dealt with the proceedings at Council meetings). Carried.

A motion was passed that By-law No. 2-73 be read a first, second and third time, be passed, signed and the Corporate Seal be attached. (Being a By-law to hold the regular council meetings on the second Tuesday of each month). Carried.

It was passed that application No. H-473-72 to S. E. Ewens be refused because it does not comply with the by-law due to insufficient frontage. Carried.

It was passed that we tender for 4,000 cu. yd. of crush in one pit. Carried.

It was passed: That we petition the MTC for the annual subsidy for the year 1972. Carried.

It was passed: That we pay the road superintendent \$3.50 per hr., plus 50 per cent of OHIC and one day and a half sick leave per month up to 18 days. This would be for a two-year period. Carried.

It was passed: That this meeting be adjourned until March 13, 1973 unless called by the Reeve. Carried.

HALIBURTON COUNTY SOCIAL PLANNING COUNCIL

There are many services in the fields of health, welfare, recreation and education available to residents of Haliburton County.

Until recently these services would often overlap due, in part, to the distances between communities but more often simply because one organization was unaware of the full extent of the services offered by another.

Two years ago, Mrs. Agnes Elstone and the Rev. Frank Ford were concerned at this lack of communication and suggested a representative from each organization committed to serving the needs of the people of the county, meet together once a month to discuss their work, the problems they encounter and to try to help each other.

From this tentative beginning emerged the Haliburton County Social Planning Council, a rather weighty title, which means simply, people helping each other to give positive and effective service to their fellow citizens.

The meetings are held at a different location each month which enables members to see at first hand the areas in which we work. Participation is invited from representatives of all organizations in the county. For information regarding time and place of meetings, please contact the secretary, Mrs. Marion Arntfield.

It was felt by the members that a definite need existed for a directory of services within the county which would help residents locate and contact the services they required easily and quickly.

After months of gathering and compiling information, the Social Planning Council has printed the "Haliburton County Directory of Community Services". Copies may be obtained from Mrs. Peggie Neville, Haliburton.

457-1814. As the council works without funds, a charge of two dollars per copy is being made to help defray printing costs.

The Rev. Frank Ford, whose enthusiasm spurred this group into existence, moved from our area recently and Mrs. Joan Fennell was elected chairman. Mrs. Fennell, as secretary for the past two years, bore much of the burden of organizing the council and brings to her new position a vast understanding of the problems still to be faced.

The slate of officers for this year is as follows: Chairman Mrs. Joan Fennell, Kinette Club Vice-Chairman Mrs. Earl MacDuff, Alcoholics Anonymous; Secretary, Mrs. Marion Arntfield, Chamber of Commerce; Directors Capt. David Pitcher, Salvation Army; Mr. Marvin Brown, Browdale; Mrs. Peggie Neville, Cancer Society; Rev. Andrew Hutchison, Anglican Church; Mrs. Agnes Elstone, Health Unit; Mr. Norman Trucan, Dept. Social and Family Services; Mr. Norman Cooper, Kawartha Youth Organization.

WOMENS WORLD DAY OF PRAYER

The Women's World Day of Prayer is held annually since 1919 although other separate groups had services earlier. It is held on the first Friday in Lent by Christian groups all over the world.

This years theme, "Alert in Our Time" has been developed into the international worship service by women from New Zealand, both of Maori and European descent.

Our local services being held in Hyland Crest auditorium on March 2, at 2 p.m.

Miss Marjorie Johnston former missionary in Ethiopia will be the speaker. She is a very interesting and inspiring speaker and it is hoped that all interested local women and the senior girls from the public school will be able to participate.

NOTICE

DOG OWNERS

Because of the many complaints we have received we will be enforcing By-law 72-31 which states: Dogs found running at large may be impounded for 24 hours and then sold or destroyed. Also there is a penalty of \$50.00.

By working together I'm sure we can bring this problem under control.

Richard (Dick) Schell
By-Law Enforcement Officer
Municipality of
Anson, Hindon and Minden

THE NATIONS BUSINESS (Continued from Page 3)

capital gains tax imposed last year by the government on farms passed to a surviving member of a family on the death of the owner. This is only half an answer. Provisions should be made for passing a farm on to a son or daughter in cases where the owner wishes to retire. There are many cases where a farmer would like to retire, give his farm to a son, and either move into town or stay around for awhile and assist the son to get off to a proper start in running his farm.

It is too early to know what type of legislation the government will table in connection with the budget, and so we in the opposition will have to reserve our final judgement until the legislation is tabled. We want many of the measures in the budget to become law, and so we will not oppose the budget in its entirety when we debate it in the commons. We will be selective, and try to move amendments that will improve it.

Department of Public Works of Canada Ontario Region TENDERS

Sealed tenders addressed to the Chief, Financial and Administrative Services, Ontario Region, Department of Public Works Canada, 25 St. Clair Ave. East, (6th floor) Toronto 290, Ontario and endorsed "Tender for Project No. 81047, Addition and Alterations, Post Office, Minden, Ontario," will be received until 3:00 p.m. (E.S.T.) Thursday, March 22, 1973.

Tender documents can be obtained on deposit of \$25.00 in the form of a certified bank cheque to the order of The Receiver General Of Canada, through the office of the Regional Director, Ontario Region, Department of Public Works, Canada, 25 St. Clair Ave. East, (6th floor) Toronto 290, Ontario and may be seen at this office, and may also be seen at the District Construction Association, Kent Street West, Lindsay, Ontario.

The deposit will be released on return of the documents in good condition within one month from the date of tender opening. To be considered each tender must be submitted on the forms supplied by the Department and must be accompanied by the security specified in the tender documents.

The lowest or any tender not necessarily accepted.

B. R. Warren
Chief, Finance and
Administrative Services.

Toronto, Ontario
March 5, 1973.

RED CROSS SERVES YOU
EVERY STEP OF THE WAY

IN MEMORIAM

ANDERSON — In loving memory of a dear husband and father James (Jim) Anderson who passed away March 8, 1971. Within our hearts we shall always keep

A special place for you,
And try to do our best to live
As you would have us do.
Its sad to walk the road alone,
Instead of side by side,
But to all there comes a moment,

When the ways of life divide
You gave us years of happiness
Then came grief and tears,
But you left us beautiful memories

We will treasure through the years.

Sadly missed, and always remembered by wife June, daughter Jenny, sons Peter and Brian.
